

Help Us Eradicate Milfoil *from Sebago Lake*

Make a difference by attending a free milfoil
rapid response volunteer workshop

Date: Thursday, October 1

Time: 4:30–6:30 p.m.

Location: Saint Joseph's College,
Harold Alfond Center, Room HA1

*This free workshop is presented by
the Maine Volunteer Lake Monitoring
Program. All are welcome to attend!*

Learn about:

- Aquatic invaders in Maine: Sebago Lake's milfoil infestation and what is being done about it
- Identifying Sebago's invasive milfoil and how to distinguish it from native look-alikes
- Hunting for invasive milfoil and what to do when you find it
- Becoming part of Sebago's Rapid Response Team: certification and reporting protocols

To register, or for more information, contact vlmp@mainevlmp.org or 207-783-7733.

Maine Volunteer Lake Monitoring Program
Keeping a watchful eye on the health of Maine lakes since 1971

This workshop is made possible with support from boater participation in the Maine Lake & River Protection Sticker Program, Maine Department of Environmental Protection, Maine Volunteer Lake Monitoring Program, Sebago Lake Milfoil Action Cooperative, and Saint Joseph's College.
